Lambda Phi has a long history of involvement in the Middle Georgia community. The men of Omega vigorously support our communities by providing outreach programs that benefit our community. As part of this grand opportunity to host the 53rd Georgia State Workshop, our goal is to host a first-class workshop that we feel will be of the greatest value and service to the youth, families and communities of middle Georgia. The men of the Lambda Phi Chapter of Omega Psi Phi Fraternity, Inc. in Macon Middle Georgia will strive to combine the strategic thinking of our past with the technological advancements of today to bring our youth, families and the communities together to make a commitment to change for the better.

Please take this opportunity to leave your mark on our Georgia State Workshop with an ad in the souvenir booklet. Your support of this historical weekend translates into presence with our community residents. We want to provide the community with our enhanced public presence of service. You the community, contribute to Omega's brand, recognition and preference throughout the Middle Georgia Area and the Country.

Sincerely,
